1 INTRODUCTION AND APPOINTMENT

Iain McLennan and Boris van Delden, Insolvency Practitioners, of Auckland, were appointed jointly and severally as receivers and managers of all the assets, property and undertakings of the company on 17 November 2010 by CPG York Limited.

Pursuant to section 24 of the Receiverships Act 1993, the receivers report herewith on the progress of the receivership. This fifteenth report should be read in conjunction with the receivers' previous reports.

A statement of realisations and distributions is **attached** for the period to 16 November 2017.

2 RESTRICTIONS

This report has been prepared in accordance with Section 24 of the Act. Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE RECEIVERSHIP DURING THE PRECEDING SIX MONTHS

Asset Realisations

There have been no further realisations since the date of our last report. The receivers have been advised that the litigation that was underway that could have seen Digital Partners Limited (in receivership and liquidation) receive some funds in which to pay to this company, has been settled. As a result of the settlement no recovery is likely from Digital Partners Limited (in receivership and liquidation).

This leaves a prospect that the company's tax losses could be realised. Whether this is a realistic option is being investigated by the ultimate shareholders and their advisers.

4 CREDITORS' CLAIMS

4.1 *Secured Creditor*

At the date of our appointment the amount due to our appointer totalled \$82,481 excluding accrued interest and costs. No distribution has been paid to date.

4.2 *Preferential Creditors*

According to the records of the company, and further information provided by the Inland Revenue Department, the company has no preferential creditors.

4.3 *Unsecured Creditors*

According to the records of the company, there are no unsecured creditors. No claim forms have been received from unsecured creditors.

5 MATTERS DELAYING THE COMPLETION OF THE RECEIVERSHIP

The following matters are outstanding:

- Potential realisation of tax losses;
- Completion of Receivership.
