The security of the first charge-holder has been purchased by Yorkgale Pty Limited. 5.2 Preferential Creditors

During the period we filed unsigned pre-receivership GST returns for the periods leading up to receivership to replace amounts that had been the subject of default assessments. Accordingly, the preferential amount owed to the Inland Revenue Department has reduced significantly. The Inland Revenue Department claim in respect of GST has been paid in full.

5.3 Unsecured Creditors

As at the date of preparing this report 20 unsecured creditors claim forms have been received which total \$97,670.

The Receivers are not responsible for the administration of unsecured creditors' claims however, it appears unlikely that there will be surplus funds available for unsecured creditors.

6 MATTERS DELAYING THE COMPLETION OF THE RECEIVERSHIP

The following matter is outstanding:

- Collection of income revenue streams from lending institutions

7 ESTIMATED DATE OF COMPLETION
