## **Asset Realisations**

Bitcoinica Consultancy Limited (In Liquidation) ("BCL") is the General Partner of the Limited Partnership, Bitcoinica LP (In Liquidation) ("the Limited Partnership").

The liquidators of BCL continue to assist the liquidators of the Limited Partnership to recover the assets held on the trading platform (MTGOX Co, Ltd) for the benefit of investors.

The liquidators understand that the Japan based trading platform has undergone civil rehabilitation proceedings and a civil rehabilitation trustee has been appointed. There have been delays in the rehabilitation trustee making a distribution to creditors due to ongoing litigation. At this time, it is unknown when a distribution will be made or the amount available for creditors.

Following a distribution, the LP liquidators note that they will be seeking directions from the High Court in New Zealand on various matters. Their full report to 1 November 2020 is **attached**.

## LIQUIDATORS' SEVENTEENTH REPORT TO CREDITORS OF BITCOINICA LIMITED PARTNERSHIP (IN LIQUIDATION) Limited Partnership Number: 2558460

Reporting Period: 2 May 2020 - 1 November 2020

Pursuant to Section 255 of the Companies Act 1993 (In accordance with Section 92 of the Limited Partnerships Act 2008)

## 1. INTRODUCTION

On 1 November 2012 Anthony John McCullagh, Chartered Accountant and Stephen Mark Lawrence, RITANZ Accredited Insolvency Practitioner of PKF Corporate Recovery & Insolvency (Auckland) Limited, were jointly and severally appointed as liquidators of the Bitcoinica Limited Partnership ('Bitcoinica') by an order of the High Court in Auckland, New Zealand, pursuant to section 89(1) of the Limited Partnerships Act 2008 ('LPA08').

On 22 May 2017 Anthony McCullagh resigned from the office of liquidator of Bitcoinica. Christopher Carey McCullagh, Chartered Accountant and RITANZ Accredited Insolvency Practitioner of PKF Corporate Recovery & Insolvency (Auckland) Limited was appointed as joint & several liquidator in his place, in accordance with section 283(2) of the Companies Act 1993 ('CA93').

Any creditor who wishes to challenge the Liquidators' fees as set out in this report may do so by an application with leave of the High Court of New Zealand under section 284(1) CA93 (and by virtue of s92 LPA08). Any such application filed must be served on the Liquidators.

## 2. RESTRICTIONS

This report has been prepared pursuant to s255 CA93 and in accordance with s92 LPA08 based on information contained in the records and information supplied to us by Bitcoinica's limited partners, advisors, creditors and other parties. We have not carried out an audit of the records. Accordingly, we retain the right to amend particulars if we consider it necessary in light of information which becomes available to us after the date of this report. The Liquidators shall not be responsible for any losses resulting from the reliance of any person on information contained in, or derived or omitted from this report.

## 3. ACTION UNDERTAKEN SINCE OUR LAST REPORT

As previously reported, Bitcoinica's cash and bitcoin ('BTC') assets were held in accounts on the MtGox exchange. On 24 April 2014, MTGOX Co, Ltd ('MtGox') was put into bankruptcy in Japan and then on 22 June 2018 the Tokyo District Court ordered the commencement of civil rehabilitation ('CR') proceedings against MtGox. The former bankruptcy trustee, Nobuaki Kobayashi, Attorney-at-law, was appointed as the civil rehabilitation trustee ('MtGox Trustee') for the purpose.

On 15 March 2019, the MtGox Trustee approved Bitcoinica's claims and valued them for voting purposes at JPY 54,784,003,387.

Bitcoinica's total approved claims in the CR are as follows:

Claim Type	Amount of Claims	Delay Damages	Total
ВТС	64,672.98010549	-	64,672.98010549
BCH	64,672.98010549	-	64,672.98010549
USD	134,809.01	34,924.76	169,733.77
EUR	45.82	11.87	57.69
GBP	5.15	1.33	6.48
PLN	17.64	4.56	22.20

The MtGox Trustee is experiencing delays in the CR process, due to ongoing litigation by claimants against MtGox. This is preventing the MtGox Trustee from making a distribution to claimants in the MtGox CR (including Bitcoinica). On 24 March 2020 the MtGox Trustee released an "Outline of the Draft Rehabilitation Plan" for consideration by claimants, which the Liquidators have reviewed and considered along with their legal representatives. However, on 15 October 2020 the MtGox Trustee announced:

"The Rehabilitation Trustee is currently formulating the rehabilitation plan, but as there are matters that require closer examination with regard to the rehabilitation plan, it has become necessary to extend the submission deadline for the rehabilitation plan.

In light of the foregoing, the Rehabilitation Trustee filed a motion to seek an extension of the submission deadline of the rehabilitation plan at the Tokyo District Court, and, on October 14, 2020, the Tokyo District Court issued an order to extend the submission deadline for the rehabilitation plan to December 15, 2020."

It is unclear at this stage what assets will be available for distribution to MtGox claimants, when a distribution will be made and in what form the distribution will be made (i.e. fiat currency and/or BTC). As previously reported, the Liquidators intend to seek directions from the High Court of New Zealand, primarily in relation to the nature and valuation of claims in the liquidation and the proposed method of realisation and/or distribution of Bitcoinica's assets.

During the reporting period the Liquidators have corresponded with their Japanese lawyers, who continue to represent the Liquidators at the 6-monthly creditor meetings in Tokyo for the MtGox administration. The Liquidators have also corresponded with the MtGox Trustee in relation to its claims in preparation for any proposed future distribution. It should be noted that the Liquidators' investigations and progress have been affected by COVID-19 related restrictions in New Zealand and other countries.

## 4. <u>SECURED CREDITORS</u>

As previously reported, Ator Limited (a company associated with the majority limited partner Wendon Group Incorporated ('Wendon') holds a General Security Agreement ('GSA') over all present and after acquired personal property of Bitcoinica. Ator Limited and Wendon have both agreed to subordinate any claims they may have in the liquidation after the claims from Bitcoinica platform users.

## 5. PREFERENTIAL CREDITORS

Wendon, as the applicant creditor in the liquidation proceedings, was awarded costs of \$6,701.00 by the High Court. As noted above, Wendon has advised that it wishes to subordinate its claim after the claims of Bitcoinica platform users.

## 6. <u>UNSECURED CREDITORS</u>

The Liquidators have received claims from 204 platform users, broken down as follows:

Bitcoins - BTC104,714.45

Cash

US\$323,240,64

Leveraged Trading Positions

(Net balance)

US\$276,134.60

These claims have not yet been accepted or rejected by the Liquidators.

Any distribution by the Liquidators is contingent on the receipt of cash or bitcoin assets from its claims against MtGox. At this stage, we do not know when a distribution will be made by the MtGox Trustee, or how much Bitcoinica will receive, and in what form the distribution will be made (i.e. fiat currency and/or BTC).

## 7. PROPOSALS FOR COMPLETING THE LIQUIDATION

In August 2018 the Liquidators wrote to all platform users who had previously filed claims in the liquidation, requesting the completion of amended claim forms and the provision of further supporting information. We are continuing to review the information received, with a view to admitting or rejecting claims in due course. Due to the nature of the supporting information received, the Liquidators will need to seek directions from the High Court of New Zealand prior to accepting or rejecting claims.

The Liquidators are awaiting the finalisation and release of the Rehabilitation Plan for MtGox, which is then expected to be voted on by the approved creditors of MtGox. While the deadline for submission of the Rehabilitation Plan has been delayed until 15 December 2020, it may be delayed further.

The Liquidators are unable to progress a distribution to Bitcoinica's approved claimants until the Liquidators have received either cash or BTC from its claims against MtGox.

## 8. STATEMENT OF RECEIPTS AND PAYMENTS

A Statement of the Liquidators' Receipts and Payments for the period 2 May 2020 – 1 November 2020 is **attached**.

## 9. ESTIMATED DATE OF COMPLETION

Due to the issues regarding the recovery of Bitcoinica's assets from MtGox, we are unable to give an estimated date of completion of the liquidation.

## 10. OTHER INFORMATION

Please direct all enquiries regarding this liquidation to <a href="mailto:bitcoinica@pkfcr.co.nz">bitcoinica@pkfcr.co.nz</a>. For economic reasons we are unable to respond individually to the large volume of correspondence that we continue to receive from Bitcoinica platform users. As we have previously advised, we will report to creditors once any significant progress has been made in the liquidation.
