Date ceased trading:	31 January 2017
Nature of business:	Computer Software Publishing
Trading address:	21 Edinburgh Street, Onehunga, Auckland 1061

The directors have advised that they decided to cease trading in January 2017 and wind the company up as the business was not profitable. All assets were realised and, at that stage, there were no outstanding creditors.

On 7 March 2017, the Disputes Tribunal found against the company in relation to an application filed with the tribunal in October 2016 by a client company, and ordered payment of \$12,043 to the applicant. The company had not defended the matter. As the company had no ability to meet that payment the decision was made to liquidate the company.

5 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position has not been prepared as there are no known assets of the company.

6 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

The directors have advised that there are no assets available to the liquidators.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.
