### 3. EVENTS LEADING TO APPOINTMENT OF LIQUIDATORS

The directors of the company have advised that the reason for the failure of the company was due to the Body Corporate invoicing the company for a further \$115,000 which was to be used to pay for repairs to other owners leaky homes. This was enforced via a ruling at Arbitration that the Body Corporate effectively needed the funds to keep if from becoming insolvent and to keep the project progressing.

The directors of the company had no confidence in either the Body Corporate or Crockers Strata Management of the management process, which was also confirmed by a number of conflicting reports and constantly changing account statements, effectively making it impossible to ascertain the actual costs to their unit.

The Body Corporate refused to abide by the Arbitration ruling of using the Maltby Quantity survey's apportionment for common property/private property before leaving further levying, and have not applied these apportionments to any owner statements to date.

Payment of these invoices would have put the company in credit with the Body Corporate with no security or payment plan as to how and when they could recover this credit back from the Body Corporate. The Body Corporate refused to answer any questions of the date of final apportionment and recovery of funds from apartment owners.

There were no surplus funds available, or enough equity in the building, for the company to facilitate payment of this credit/loan to the Body Corporate to fund the private repair of other owners apartments.

### 4. STATEMENT OF AFFAIRS

We attach a statement of the company's affairs as at the date of our appointment. This has been prepared from information provided by the officers of the company and the liquidators are not yet able to express an opinion on the validity of that information.

Nevertheless, it appears unlikely that there will be any distribution to unsecured creditors.

### 5. PROPOSALS FOR CONDUCTING THE LIQUIDATION

- 5.1 The liquidators will take steps to realise all the assets. However, it is in the best interests to all creditors that the repairs to the whole building are completed before the commercial unit is placed for sale.
- 5.2 The liquidators will recover the books and records, and legal files of the company.
- 5.3 The liquidators will examine the books and records to ensure all assets have been properly accounted for.

The liquidators will also conduct an investigation into the affairs of the company and do all those things that would be expected of liquidators.

### 6. CREDITORS' CLAIMS

### Personal Property Securities Act / Reservation of Title

Should any creditor believe that they have registered a Purchase Money Security Interest (PMSI) on the Personal Property Securities Register (PPSR) over any goods, or proceeds from realisation of goods, they should contact this office immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not registered their interest on the Personal Property Securities Register, they should also contact this office immediately.

### Creditors' Claim Forms

**Enclosed** is a notice to creditors to prove debts or claims and an Unsecured Creditors' Claim form for completion and return to this office by Friday, 12 June 2009. If you believe that you are a secured creditor please contact this office and the appropriate form will be sent to you.

### 7. ESTIMATED DATE OF COMPLETION OF LIQUIDATION

It is too early yet to estimate a date of completion for this liquidation as it will soley depend on when the repairs are completed, final levies determined and when the commercial unit is sold.

### 8. CREDITORS MEETING

After having regard to the assets and liabilities of the company and the likely result of the liquidation, it is proposed to dispense with a meeting of creditors pursuant to Section 245 of the Companies Act 1993.

We do not, however, wish to preclude creditors from expressing their views. Please contact Boris van Delden of this office if you have any specific enquiries.

You are advised that should you desire a meeting, notice in writing is required within 10 working days of receiving this notice.

At the time of giving notice you must also state the reason you require a meeting so that an agenda can be prepared and advertised and creditors can be given the opportunity to vote on any issue by voting letter.

**Note:** Pursuant to Section 314 of the Companies Act 1993 creditors are advised that at any time in the course of the liquidation the liquidator shall, at the request in writing of any creditor or shareholder, call a meeting for the purpose of appointing a Liquidation Committee.
