1 PROGRESS OF THE ADMINISTRATION OF THE LIQUIDATION

On 7 May 1998, DML Resources Limited ("the company") was placed in liquidation by the High Court at Auckland.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This thirty seventh report should be read in conjunction with the liquidators' previous reports. This report is being filed with the Registrar of Companies only, and is also on our website.

We attach below a statement of receipts and payments for the last six months and also for the period of the liquidation.

2 RESTRICTIONS

This report has been prepared in accordance with section 255(2)(d) of the Act. Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

3.1 All assets of DML have been realised.

4 DML MALAYSIA

The liquidators and their joint venture partners negotiated a confidential settlement. The liquidators confirm that all instalments of the settlement amount have now been received. There are no instalments remaining. The liquidators have sought advice from Malaysia on the process required to liquidate the Malaysian entity. This process may take up to two years.

5 DISTRIBUTIONS

The funds received to date have funded the distributions to unsecured creditors. Most unsecured creditors have as a result received 100 cents in the dollar. The distributions have been paid as follows:

• First Distribution	5 cents	\$662,627
• Second Distribution	60 cents	\$7,869,675
• Third Distribution	29 cents	\$1,311,613
• Fourth Distribution	3 cents	\$393,361
• Fifth Distribution	3 cents	\$393,361
	100 cents	\$10,630,637

As described in detail below, those unsecured creditors that were in a separate class relating to voidable preference are now entitled to future distributions until they have also received 100 cents in the dollar.

The sixth distribution to unsecured creditors in the voidable preference trust (\$5,895,356) was paid to those creditors on 30 January 2015 for \$265,291. The seventh distribution to unsecured creditors in the voidable preference trust was paid on 11 March 2016 for \$235,814 (that is 4 cents in the dollar). The creditors of the voidable preference trust have received 89.5 cents in the dollar.

The Act requires that all unsecured creditors have to be paid 100 cents in the dollar before interest can be paid on amounts claimed. A final distribution will be paid pro rata to those remaining creditors that contributed to the voidable preference trust. The liquidators do not expect that those remaining creditors will receive 100 cents in the dollar. The final distribution will be made when there is more clarity on the costs involved to liquidate the Malaysian entities involved in the joint venture and settlement.

The purpose of the Voidable Preference Trust is now over.

6 INVESTIGATIONS and CREDITOR CLAIMS

There is nothing new to report.

7 FUNDS

As at 6 May 2017 the liquidation had approximately \$134,404.

We **attach** below a statement of receipts and payments for the last six months.

8 ESTIMATED DATE OF COMPLETION

The completion of this liquidation is dependent upon conclusion of a final audit in Malaysia, issue of final tax returns in Malaysia, and then the strike off of the Malaysian entities.

Until such time as clarity is given on the likely costs involved to wind up the Malaysian entities, so that the ultimate shareholder complies with tax and audit obligations in Malaysia, the final distribution to voidable preference creditors will be delayed.

Enquiries have been made of KPMG to assist with the formal strike off process. Enquiries are also with Boardroom Corporate services in Malaysia. We are advised this can take up to two years but we are seeking to fast track that process with approval of the Malaysian Companies Office.
