# 5 COMPANY STRUCTURE AND BACKGROUND

Date of incorporation:

9 May 2016

Company number:

5979167

Nature of business:

Construction

**Trading address:** 

Level 2, 32b William Pickering Drive, Rosedale, Auckland

Share capital:

100 Shares

Shareholders:

Jae Chan Hvun

100 Shares

Director:

Jae Chan Hyun

The director advised that the company suffered losses as a result of construction delays, disputed progress payments and wrongful termination of contracts by developers. The director asserts that the above events were precipitated after the departure of a key employee to a rival construction company that has since taken over the contracts.

As a result of the above, the company was unable to pay subcontractors and suppliers and was forced to cease trading. The director commenced recovery actions but when the company and the shareholder could no longer fund the company's legal fees, and the company could no longer trade, the shareholder placed the company in liquidation.

# **6 STATEMENT OF AFFAIRS**

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1. This is based on the company records.

# 7 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets. A public auction is currently underway to realise the contents of the company's offices. All assets listed in the company's asset register have otherwise been accounted for.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties and take appropriate steps where necessary.

In accordance with our duties as liquidators, if there have been breaches of director duties and funds can be recovered for the benefit of creditors, the liquidators will pursue the appropriate recovery action.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

# 8 LIABILITIES AND CREDITOR CLAIMS

A schedule of known creditors and their addresses is provided at Appendix 3, as required by Section 255(2)(c) of the Act.

A notice to creditors to prove debts or claims is provided at Appendix 5. Also provided is a creditor's claim form at Appendix 5 for completion and return to this office by 10 =October 2019. Creditors that have not made a claim by the date on the notice may be excluded from any distribution made. If you believe that you are a secured creditor, please contact us and the appropriate form will be sent to you.

# 8.1 Secured Creditors

As at the date of liquidation seven secured parties had registered security interests against the company on the Personal Property Securities Register.

- Placemakers Mt Wellington
- Carters Building Supplies Limited
- Toyota Finance New Zealand Limited
- Anderson & O'Leary Limited
- Ricoh Finance a division of Ricoh New Zealand Limited
- Just Sheds Limited
- Royalwolf Trading New Zealand Limited
- Fletcher Distribution ltd t/a Placemakers Whangaparaoa
- Albany Timber Distributors Limited
- Franklin Plumbers & Builders Supplies Limited
- Continuous Spouting Auckland Limited

All vehicles were subject to registered securities and have been returned to the secured creditors. The company's photocopier is to be collected by the secured creditor. At the date of liquidation, the company had no other assets or stock subject to registered securities.

The company records reflect a total of \$69,331 owed to the above secured creditors.

Personal Property Securities Act / Reservation of Title

If any creditor believes that they hold a Purchase Money Security Interest entitling them to any goods or proceeds from realisation of goods, they should contact us immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not perfected their interest, they should also contact us immediately.

# 8.2 Preferential Creditors

At the date of liquidation all staff contracts had already been terminated, however we estimate that there is approximately \$15,286.27 still owing to former employees for holiday pay. The director and his family are related parties and their claims for holiday pay are not considered preferential claims.

The Inland Revenue Department has not yet provided us with a creditor claim form, but we understand that there are amounts due in respect of GST, PAYE and other deductions.

### 8.3 Unsecured Creditors

From our review of the company's accounting records and other information we estimate that the amount due to unsecured creditors, including suppliers, is approximately \$829,746 plus \$56,636 owing to related parties in salaries and holiday pay.

# 9 CREDITORS' MEETING / LIQUIDATION COMMITTEE

We consider that at this early stage in our investigations, and with few assets available to realise, the cost of holding a creditors' meeting would not be a justifiable expense for creditors and would provide little information. Accordingly, a notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 4.

Notwithstanding the above, any creditor or shareholder may at any time in the course of the liquidation request that the liquidators call a meeting pursuant to Section 314 of the Companies Act 1993, for the purpose of appointing a liquidation committee. Any request for a meeting must be submitted to the liquidators in writing.

# 10 FURTHER INFORMATION

If you are aware of any information that would assist the Liquidators in their investigations, please set the details out in writing, attach any supporting evidence, and send it to us. Please note that it can be difficult for liquidators to act in reliance on information that is not provided in writing.

If any creditor wishes to receive the six monthly reports by email as and when they are published, please ensure that an email address is provided on your creditors' claim form.

This report and all subsequent reports will be available on the Liquidators' website at <a href="https://www.mvp.co.nz">www.mvp.co.nz</a>

# 11 ESTIMATED DATE OF COMPLETION

The Liquidators believe the liquidation may be concluded within one year, however if legal action is taken the period will be longer.
