4 COMPANY STRUCTURE AND BACKGROUND

Date of incorporation:

Company number: 1629813

Date ceased trading: January 2015

Nature of business:

Custom Tile Showers

Previous name:

Impresa Tile Shower Systems Limited

Share capital:

500 Shares

Shareholder:

Colin Raymond Ford

Director:

Colin Raymond Ford

The company has not traded since January 2015. Certain business assets were sold at that time with value attributed for the brand name and assets. The company did not own many assets. The only assets left after sale and at liquidation are some minor furniture assets and the shareholders' overdrawn current account.

5 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is not provided as the only asset is the current account which requires review and the only creditor is the Inland Revenue Department for income tax, penalties and interest.

6 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets. We expect there to be no value to be gained from the furniture items. Recovery will be sought on the current account and should lead to a distribution to the creditor.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.
