1 INTRODUCTION AND APPOINTMENT

Iain McLennan and Boris van Delden, Licensed Insolvency Practitioners, of Auckland, were appointed joint and several liquidators of KSJ Construction Limited ("the company") on 7 August 2017.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators are reporting on the progress of the liquidation. This tenth report should be read in conjunction with the liquidators' previous reports.

This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

2 RESTRICTIONS

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party arising from the circulation, publication, reproduction, or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report but that becomes known to us after that date.

3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

3.1 Accounts Receivable, Retentions

There are retentions held in respect of work completed by the company prior to its liquidation. The liquidators are seeking the release of these retentions from the parties holding the retentions as and when they fall due for release. The parties holding the retentions maintain that the defects liability periods continue to run on some projects.

4 INVESTIGATIONS

The liquidators' investigations into the books, records, and affairs of the company have been completed. The liquidators are satisfied that there are not matters that, if pursued, are likely to lead to a recovery for the benefit of the company's creditors.

5 CREDITORS' CLAIMS

One financing statements remain registered on the PPSR as at the date of this report.

No distributions were paid during the reporting period. Distributions to date are as follows:

CLAIMS RECEIVED	NUMBER	VALUE	DISTRIBUTED
Secured Claims	5	\$453,266	\$293,094
Employee Preferential Claims	23	\$131,814	\$75,285
IRD Preferential	1	\$335,603	\$6,944
Unsecured Claim	24	\$367,067	NIL

In the interests of minimising liquidators' fees, the liquidators will not attend to the formality of accepting or rejecting creditors' claims until such time as we are in a position to pay a distribution to that group of creditors.

6 FUNDS / LIKELY OUTCOME

The liquidators anticipate there will be a shortfall on the amount due to preferential creditors.

7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Release of and collecting retentions
- Preparing final GST return, including claiming GST on any remaining debtor write-offs
- Making final distribution to creditors, if any
- Finalising liquidation and retiring as liquidators

8 ESTIMATED DATE OF COMPLETION

It is too early to estimate the date of completion of this liquidation.
