The directors of the company advised the company ceased trading as a result of a restructure involving the sale of the company's assets and business, and re-finance of the Spazio Casa Group in late 2013. At the time of this report the directors have provided accounting records for trading up to March 2013. Following many requests for the information to be provided the directors have just provided the liquidators with some accounting in regard to the purported sale. This will take some time to analyse.

Apart from the information that follows regarding creditors we are not currently able to provide any further information to record in a Statement of Affairs for the company.

5 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

6 LIABILITIES AND CREDITOR CLAIMS

6.1 Secured Creditors

As at the date of liquidation two secured parties had registered security interests against the company on the Personal Property Securities Register.

- MLD Trustee Limited as Trustee of the MLD Trust
- Smartpay Rental Services Limited (two registrations)

We are advised that as a result of the late 2013 sale of the company business and assets the above security interests should have been taken over by the purchaser. We are assessing the status of sale agreements and will provide a supplementary report to creditors as soon as possible.

Personal Property Securities Act / Reservation of Title

Should any creditor believe that they are entitled to any goods, or proceeds from realisation of goods, due to holding a Purchase Money Security Interest, they should contact us immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not perfected their interest, they should also contact us immediately.

6.2 Preferential Creditors

We are in the process of determining, following the sale of the business and assets, if there are any unpaid wages, holiday pay or redundancy pay owing to former employees.

The Inland Revenue Department has provided us with a creditor's claim form showing outstanding GST, PAYE and other payroll deductions of \$44,687. This includes a preferential claim of \$29,509.

6.3 Unsecured Creditors

In addition, the Inland Revenue Department has provided us with a creditor's claim form showing outstanding income tax amounting to \$223,309.

We are advised that as a result of the sale of the company's business and assets in late 2013, there are no trade creditors, however, at the date of this report we are not certain that this is the case. We are interested in hearing from creditors who consider they may have a claim in the liquidation.

7 CREDITORS' MEETING / LIQUIDATION COMMITTEE

A notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 2.

McDONALD VAGUE

Pursuant to Section 314 of the Companies Act 1993, creditors are advised that at any time in the course of the liquidation the Liquidator shall, at the request in writing of any creditor or shareholder, call a meeting for the purpose of appointing a liquidation committee.

8 FURTHER INFORMATION

If you are aware of any information that would assist the Liquidators, please set the details out in writing, attach any supporting evidence and send it to us. Please note that the Liquidators are more able to act on written information.

If any creditor wishes to receive the six monthly reports by email as and when they are published, please ensure that an email address is provided on the attached creditor claim form. This report and all subsequent reports will be available on the Liquidators' website at www.mvp.co.nz.

9 ESTIMATED DATE OF COMPLETION

Guideline			
The Seventh Schedule of the Companies Act 1993 sets out those claims which are regarded as preferential and shows their extent and order of priority. For example, wages and salary of any employee in respect of services rendered to the company during the four months preceding the commencement of liquidation are preferential AND the total sum to which priority is to be given in the case of any one employee for wages, holiday pay, deductions, redundancy and child support must not exceed \$20,340 or such greater amount as is prescribed at the			
commencement of the liquidation.			
Why do you believe you are a preferential creditor? (eg. employee, GST, etc)
