The Liquidators have met with the director and were advised that the liquidation of the company was the result of a number of factors from Covid impacts, a general market downturn in the sector with work drying up, skilled staff unavailability and an unsuccessful capital raise.

The business ceased trading on the day of liquidation.

## 6 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1.

## 7 ASSETS AND PROPOSED ACTIONS IN THE LIQUIDATION

We will realise all available assets.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties and take appropriate steps where necessary.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

## 8 LIABILITIES AND CALL FOR CREDITOR CLAIMS

The liquidators have compiled a schedule of the company's creditors and their addresses as required by Section 255(2)(c) of the Act, which is at Appendix 3. The schedule has been compiled from company records and information provided to the liquidators at the time of preparing this report. The schedule may not list all of the company's creditors and all of the parties listed on the schedule may not be creditors of the company.

There are no known contingent creditors. There are no known current or pending proceedings to which the company is a party.

A notice to creditors to prove debts or claims is provided at Appendix 5 and an unsecured creditor's claim form is provided at Appendix 6.
