1 INTRODUCTION AND APPOINTMENT

Steelcap Holdings Limited ("the company") was placed into liquidation by a special resolution of the shareholders pursuant to Section 241(2)(a) of the Companies Act 1993 ("the Act") on 3 May 2016. Peri Micaela Finnigan and Boris van Delden, Insolvency Practitioners of Auckland, were appointed as joint and several liquidators of the company.

The director of the company advised that a review of the business was undertaken in 2015. The review found that due to increasing labour and material costs, quoted jobs did not have sufficient margins in them to provide the business with sufficient working capital. In an attempt to increase the cashflow, in February 2016, the installation of decks and fences was outsourced so the business could focus on manufacturing cabins and sheds. This move did not result in the increased cashflow that had been anticipated. As a result of increasing creditors and lack of readily available cashflow, the director decided to cease trading on 30 April 2016. The shareholders resolved to put the company into liquidation on 3 May 2016.

5 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1.

6 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets.

The business has been sold as a going concern. The purchase price was in accordance with an independent market valuation.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for;
- determine if there are any other avenues of recovery for creditors; and
- determine if the company's officers have properly carried out their duties and take appropriate steps, where necessary.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.
