3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

Asset Realisations

The liquidators traded on the business from date of liquidation to 6 November 2013. Receivers were appointed on 7 November 2013, therefore the liquidators handed the business to the receivers with stock and debtors as at date of receivership appointment being accounted for.

The receivers have marketed the business and assets for sale. At the date of this report the assets have not been sold. There will be a washup calculation in regard to the assets available for preferential creditors when the business and assets are sold.

4 INVESTIGATIONS

The liquidators have not yet completed their investigations into the books, records and affairs of the company. Some matters will be considered depending on the result of the sale of the company assets.
