1 INTRODUCTION AND APPOINTMENT

Topclass Kitchens Limited ("the company") was placed in liquidation by special shareholder resolution pursuant to Section 241(2)(a) of the Companies Act 1993 ("the Act") on 23 January 2017. Boris van Delden and Peri Micaela Finnigan, CAANZ Accredited Insolvency Practitioners, of Auckland, were appointed as joint and several liquidators of the company.

4 COMPANY STRUCTURE AND BACKGROUND

Date of incorporation:	27 August 2015
Company number:	5788807
Date ceased trading:	23 January 2017
Nature of business:	Kitchen and cabinetry manufacturer and Installer
Trading address:	770-772 Halswell Junction Road, Hornby, Christchurch
Shareholder:	Neil Alan Bayer
Director:	Neil Alan Bayer

We provide positive solutions for businesses

The director advised that during the company's period of trading, it struggled to generate sufficient income to cover its expenses. The company also engaged in a failed joint venture which failed, with a related company, Topclass Manufacturing Limited. The company was unable to recover from the losses incurred in this venture. Topclass Manufacturing Limited was placed in liquidation on 9 February 2017.

When it became apparent the company could not trade through its difficulties, nor secure further capital funding, the shareholder resolved to place the company in liquidation.

5 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1.

6 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets. The ASB Bank holds specific securities over the bulk of the company's machinery and major assets, as well as a general security over all assets and intangibles. The liquidators are dealing with the assets of the company with the consent of the ASB.

If any creditor is interested or knows of any other party who may be interested in purchasing any of the assets, please advise us urgently.

Upon our appointment, we secured the company's assets, and have wound down its operations, completing work in progress and remedial work where economical to do so. At the date of liquidation, the company needed to complete remedial work on certain commercial projects to release funds due to it. We are negotiating completion of this work by third parties.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

7 LIABILITIES AND CREDITOR CLAIMS

7.1 Secured Creditors

At the date of liquidation twenty six securities were registered against the company on the Personal Property Securities Register in respect of specific plant and machinery, goods supplied and intangibles.

The ASB Bank registered and holds a prior ranking general security over all assets and intangibles of the company.

Personal Property Securities Act / Reservation of Title

Should any creditor believe that they are entitled to any goods, or proceeds from realisation of goods, due to holding a Purchase Money Security Interest, they should contact us immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not perfected their interest, they should also contact us immediately.

7.2 Preferential Creditors

We are in the process of determining the amounts owing for unpaid wages, holiday pay and/or redundancy pay owing to former employees. Kindly note that for reasons of privacy, staff details have not been included in the attached list of creditors.

The Inland Revenue Department has not yet provided us with a creditor's claim form but we understand that there are amounts due in respect of GST, PAYE and other payroll deductions.

We have estimated the amounts owing in respect of the above claims, in the attached statement of affairs.

7.3 Unsecured Creditors

From our review of the company's accounting records and other information we estimate that the amount due to unsecured creditors is approximately \$727,224.00. A schedule of known creditors and their addresses is provided at Appendix 2, as required by Section 255(2)(c) of the Act.

A notice to creditors to prove debts or claims is included at Appendix 4. Also enclosed is a creditor's claim form for completion and return to this office by Friday, 10 March 2017. Creditors that have not made a claim by the date on the notice may be excluded from any distribution made. If you believe that you are a secured creditor, please contact us and the appropriate form will be sent to you.

8 CREDITORS' MEETING / LIQUIDATION COMMITTEE

A Notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 3.

Pursuant to Section 314 of the Companies Act 1993, creditors are advised that at any time during the course of the liquidation the Liquidators shall, at the request in writing of any creditor or shareholder, call a meeting for the purpose of appointing a liquidation committee.

9 FURTHER INFORMATION

If you are aware of any information that would assist the Liquidators, please set the details out in writing, attach any supporting evidence and send it to us. Please note that the Liquidators are more able to act on written information.

If any creditor wishes to receive the six monthly reports by email as and when they are published, please ensure that an email address is provided on the attached creditor claim form. This report and all subsequent reports will be available on the Liquidators' website at <u>www.mvp.co.nz</u>
