### Topline International Limited (In Liquidation)

### Liquidators' Sixth Report for the period from 5 March 2021 to 4 September 2021

### 1 INTRODUCTION AND APPOINTMENT

Boris van Delden and Iain McLennan, Licensed Insolvency Practitioners, of Auckland, were appointed as joint and several liquidators of Topline International Limited ("the company") on 5 March 2019 by resolution of the shareholders.

Pursuant to Section 255(2)(d) of the Companies Act 1993 ("the Act"), the liquidators herewith report on the progress of the liquidation. This sixth report should be read in conjunction with the liquidators' previous reports. This report is being sent to all shareholders and all creditors who have filed a claim in the liquidation.

A Statement of Realisations and Distributions is **attached**.

### 2 **RESTRICTIONS**

Whilst all care and attention has been taken in compiling this report, we do not accept any liability whatsoever to any party as a result of the circulation, publication, reproduction or use of this report.

We reserve the right (but are under no obligation) to review and, if we consider necessary, revise this report in respect of any information existing at the date of this report which becomes known to us after that date.

### 3 CONDUCT OF THE LIQUIDATION DURING THE PRECEDING SIX MONTHS

#### Asset Realisations

### 3.1 Cash at Bank

Balances in bank accounts recovered totalled \$82,076 as at the date of liquidation, after bank deduction of \$19,476 for credit card balances.

### 3.2 Debtors

The company had no collectable debtors.

### 3.3 Inventory

### (Statement of Affairs: \$300,000)

A stocktake of inventory was performed after liquidation. An inventory sale process commenced. After paying all of the costs of sale of the inventory, including paying GST on sales in New Zealand and Australia respectively, the net realisation from inventory was \$243,191.

### 3.4 Fixed Assets

### (Statement of Affairs: \$Unknown)

The realisable fixed assets comprised a small amount of old furniture in a storage facility, which we decided were uneconomic to remove and sell after taking into account likely costs.

### 3.5 Intellectual Property, Trademarks, Database and Goodwill (Statement of Affairs: \$Unknown)

Topline was part of a relatively complex ownership structure. As at the date of liquidation its main asset was the retail customer database, and a controlled, but revocable ability to sell branded product through that database. We sold it at above valuation, on a time payment basis. Further funds have been secured from the sale and a final reconciliation is underway.

### 4 INVESTIGATIONS

The liquidators continue to consider if there are other recovery avenues on a cost benefit basis.

### 5 CREDITORS' CLAIMS

### 5.1 Secured Creditors

A secured claim of \$484,357 has been repaid in full.

### 5.2 Preferential Creditors

Preferential claims for employees and the IRD have been paid in full.

### 5.3 Unsecured Creditors

As at the date of preparing this report 11 unsecured creditors claim forms have been received totalling \$450,941. The company also has a fine that is partly unpaid but that, according to the Companies Act 1993, is not a creditor in the liquidation.

The liquidators have commenced the process of reviewing creditor claims with a view to either admit or reject them.

### 6 FUNDS / LIKELY OUTCOME

We expect that as funds flow in from the sale of the database, unsecured creditors will receive a distribution.

### 7 MATTERS DELAYING THE COMPLETION OF THE LIQUIDATION

The following matters are outstanding:

- Collection of Final tranche Sales Proceeds
- Creditor claims review and Distribution
- Finalisation

### 8 ESTIMATED DATE OF COMPLETION

Based on the information contained in this report the liquidators presently propose to complete all outstanding matters with a view to retiring as liquidators within the next two years.
