**TUCK CONTRACTORS LIMITED  
(IN LIQUIDATION)**

**LIQUIDATORS' SIXTH REPORT**  
Pursuant to Section 255(2)(d)  
of the Companies Act 1993

**For the period from 15 November 2012  
to 14 May 2013**

**1. PROGRESS OF THE ADMINISTRATION OF THE LIQUIDATION**

The liquidators report herewith on the progress made in the liquidation of Tuck Contractors Limited. Included in this report is the liquidators' Statement of Realisations and Distributions to 14 May 2013.

This sixth report to creditors follows the previous reports and should be read in conjunction with all previous reports. This report is being sent to all shareholders and to all creditors who have filed a claim in the liquidation.

**2. REALISATION OF COMPANY ASSETS**

**2.1 Debtors (Statement of Affairs \$125,000)**

All work in this area is now complete.

**2.2 Shareholder's overdrawn current account (Statement of Affairs Uncertain)**

No dividend has been received from the Director's bankruptcy.

**2.3 Fixed assets (Statement of Affairs Uncertain)**

We have received a payment from Turners Auctions following the sale of a car used by the director. We had previously been advised by the director that this was his personal property. After payment of the outstanding finance and auction costs, the amount received was \$6,469, GST exclusive.

**3. CREDITORS' CLAIMS**

**3.1 Secured creditors**

GE Finance and Insurance ("GE") was owed \$431,253, secured both by Specific Security over various items of plant and by a General Security Agreement ("GSA"). This amount was repaid in full from the sale of plant.

ANZ National Bank ("ANZ") was owed approximately \$932,262 at the date of liquidation, secured by a GSA. We have made a partial repayment to ANZ of \$200,000 under its security. We have recently been advised that the balance of ANZ's debt has been repaid in full by the director's family trust under a personal guarantee, and the GSA security has been assigned to that trust. Accordingly, any further repayments will be made to the trust. We expect any such payments to be minimal.

### **3.2 Preferential creditors**

Claims totalling \$3,963 relating to costs incurred in applying for the company to be placed in liquidation have been paid in full. A claim of \$2,000 in respect of an accountant's lien over company records has also been paid in full.

Total preferential claims for wages/salary and holiday pay were \$63,412, and have been paid in full.

The Inland Revenue Department has submitted a preferential claim for \$301,756 in respect of GST, PAYE and other unpaid payroll deductions. We have paid a first dividend of \$65,000 against this claim, and expect to pay a further dividend. It will not be possible to pay the claim in full.

### **3.3 Unsecured creditors**

As at the date of preparing this report, 55 unsecured creditors' claims have been received which total \$671,216. In the interests of minimising liquidators' fees, we will not attend to the formality of accepting or rejecting creditors' claims as there is no prospect of a dividend to unsecured creditors.

## **4. INVESTIGATIONS**

The final balance of \$1,000 in respect of Insolvent Transaction claims has now been received. This concludes our work in this area.

Our investigations into the books, records and affairs of the company are now complete.

## **5. FUNDS/LIKELY OUTCOME**

Due to the large amounts still owing to secured and preferential creditors, there is unfortunately no prospect of a dividend to unsecured creditors.

## **6. MATTERS DELAYING COMPLETION OF THE LIQUIDATION**

The following matters are outstanding:-

- Final distribution of funds to preferential/secured creditors

## 7. CONCLUSION

Based on the above, we intend to complete all outstanding matters with a view to retiring as liquidators.
