Date ceased trading:	23 April 2021

The company operated a dairy farm, owned by The Kauri Pastoral Company Limited ("Kauri"), supplying milk to Fonterra until July 2018. The farm property was sold in November 2019, leaving the company with some cattle and a few items of farm machinery. The company has sold off the remaining stock since ceasing milking operations, with the last animals being sold in April 2021.

As the company was no longer trading and holds minimal assets, the shareholders appointed liquidators to assist with the orderly winding up of family interests including part of a deceased estate.

6 STATEMENT OF AFFAIRS

A Statement of Affairs showing the company's estimated financial position as at the date of our appointment is provided at Appendix 1.

7 ASSETS AND PROPOSED ACTIONS IN THE LIQUIDATION

We will realise all available assets.

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties and take appropriate steps where necessary.

If there are funds available for distribution to creditors, we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

8 LIABILITIES AND CALL FOR CREDITOR CLAIMS

The liquidators have compiled a schedule of the company's creditors and their addresses as required by Section 255(2)(c) of the Act, which is at Appendix 3. The schedule has been compiled from company records and information provided to the liquidators at the time of preparing this report. The schedule may not list all of the company's creditors and all of the parties listed on the schedule may not be creditors of the company.
