6 ASSETS AND PROPOSALS FOR CONDUCTING THE LIQUIDATION

We will realise all available assets (if any).

We will complete a thorough review of the company's books, records and affairs to:

- ensure that all assets have been properly accounted for,
- · determine if there are any other avenues of recovery for creditors,
- determine if the company's officers have properly carried out their duties, and take appropriate steps where necessary.

If there are funds available for distribution to creditors we will verify creditors' claims and make a distribution. We will then complete the liquidation and request that the Registrar of Companies remove the company from the register.

We have been advised by the Director's accountant that the Director has made contact with the company's creditors and is paying outstanding debts as and when he can from his personal funds. The Director intends to repay all creditors.

7 LIABILITIES AND CREDITOR CLAIMS

7.1 Secured Creditors

As at the date of liquidation four secured parties had registered security interests against the company on the Personal Property Securities Register ("PPSR").

There are two General Security Interests registered on the PPSR – BNZ and Roberts Heritage Limited ("Roberts Heritage"). We understand that there are no amounts owing to BNZ and \$6,624 owing to Roberts Heritage.

Roberts Heritage has a security over proceeds relating to goods they have supplied. The liquidators have not yet established whether there will be any recovery to the secured creditor. Their debt may rank as unsecured.

Personal Property Securities Act / Reservation of Title

Should any creditor believe that they are entitled to any goods, or proceeds from realisation of goods, due to holding a perfected Purchase Money Security Interest, they should contact us immediately.

If any creditor believes that they have a Reservation of Title over goods and they have not perfected their interest, they should also contact us immediately.

7.2 Preferential Creditors

At this time we are unaware of any preferential claims.

7.3 Unsecured Creditors

From our review of the company's accounting records and other information we estimate that the amount due to unsecured creditors is approximately \$78,110. A schedule of known creditors and their addresses is provided at Appendix 2, as required by Section 255(2)(c) of the Act.

A notice to creditors to prove debts or claims is included at Appendix 3. Also enclosed is a creditor's claim form for completion and return to this office by Friday, 13 September 2013. Creditors that have not made a claim by the date on the notice may be excluded from any distribution made. If you believe that you are a secured creditor please contact us and the appropriate form will be sent to you.

8 CREDITOR'S MEETING / LIQUIDATION COMMITTEE

A notice of the Liquidators' decision to dispense with the meeting of creditors is provided at Appendix 4.

Pursuant to Section 314 of the Companies Act 1993, creditors are advised that at any time in the course of the liquidation the Liquidator shall, at the request in writing of any creditor or shareholder, call a meeting for the purpose of appointing a liquidation committee.

Guideline				
The Seventh Schedule of the Companies Act 1993 sets out those claims which are regarded as preferential and shows their extent and order of priority. For example, wages and salary of any employee in respect of services rendered to the company during the four months preceding				
the commencement of liquidation are preferential AND the total sum to which priority is to be given in the case of any one employee for wages, holiday pay, deductions, redundancy and child support must not exceed \$20,340 or such greater amount as is prescribed at the				
commencement of the liquidation.				
Why do you believe you are a preferential creditor? (eg. employee, GST, etc)
