PREFERENTIAL CLAIMANTS ONLY

Guideline

The Seventh Schedule of the Companies Act 1993 sets out those claims which are regarded as preferential and shows their extent and order of priority. For example, wages and salary of any employee in respect of services rendered to the company during the four months preceding the commencement of liquidation are preferential AND the total sum to which priority is to be given in the case of any one employee for wages, holiday pay, deductions, redundancy and child support must not exceed \$20,340 or such greater amount as is prescribed at the commencement of the liquidation.

Please provide details of the basis of the retention of title claim filed by you and/or details of entry on the Personal Property Securities Register.

- 1. Why do you believe you are a preferential creditor? (eg. employee, GST, etc)
- 2. Details of your claim:

If applicable please record here your GST Registration number:
